

STAINED GLASS WORKSHOP MIRROR MAKING Saturday 22

April 2017 10.30 – 4.30 £85pp You will learn the traditional skills of cutting glass, copper foiling and soldering with plenty of individual attention. You will make a unique mirror set in a colourful stained glass frame to take home with you. The workshop starts with a practical session on basic cutting skills using plain glass and working with a selection of breaking tools. Then prepare the mirror glass and either design a simple pattern for your frame or choose one from our selection. A wide variety of vibrant, coloured glass will be available. Once cut, the glass will be copper foiled and pinned out ready to be soldered, hooks added if required, and the finished piece will then be cleaned and polished ready for use.
